2020 Army Ten-Miler Race Date

The 36th annual Army Ten-Miler will be conducted on Oct. 11, 2020 in Washington, D.C. at the Pentagon. For more information go to, www.armytenmiler.com

2020 Army Ten-Miler Registration - Postponed

The opening of the Army Ten-Miler Priority and General Registration sessions originally slated for May 6 and May 20, respectively, will be delayed and reassessed based off of conditions. The Army Ten-Miler and the Military District of Washington want to ensure a safe experience for participants, volunteers, supporters, and members of the community. During this delay, we will review event operations and protocols to ensure we are in compliance with all prescribed guidelines for gatherings and community events. Any procedural changes or updates will be announced accordingly.
