2020 Army Ten-Miler Registration - Postponed

The Army Ten-Miler race is currently planned for 11 October if public health conditions support a safe race. Due to the COVID-19 pandemic, priority and general registration have been postponed. Our top priority is the safety of our race participants, volunteers, event staff, and spectators. We will continue to monitor all developments regarding the coronavirus pandemic and look for opportunities to continue the tradition of this great race, if possible.
