2020 COVID-19 Update

The safety and wellbeing of ATM participants, volunteers, event staff, and spectators remains our top priority. As we prepare for the 36th Annual Army Ten-Miler this October, we are closely monitoring the developments related to COVID-19. There have been no changes to the Army Ten-Miler Race scheduled for October 11, 2020. Priority Registration will open on May 6 and the General Registration on May 20 at www.armytenmiler.com. We will remain in close contact with our partners at the Military District of Washington Command Surgeon's Office, The Arlington County EMS, National Park Service, The District of Columbia government, the Department of the Army and the Department of Defense to help us plan and safely execute the 36th Army's race. Based on information available to us today, we are continuing our preparations for the event. It is our commitment to keep all of our participants involved and informed as we get closer to race day.
